COMMANDER'S REPORT

Cdr. Carol Johnson, AP

There's no question that summer is here with the record-breaking heat we have been experiencing. With hot weather like this, the refreshing ocean water calls to us, and Captree members are ready to answer the call by starting up their boat engines and heading to a raft-up.

The Captree Picnic at Robert Moses State Park turned out to be an extremely fun and tremendously successful event despite the early morning upset with parking. With the amazing summer weather bringing Long Islanders to the seashore, Robert Moses Field 3 parking was filled with cars and closed very early in the day. Captree members, primarily Mike Richter, went into action and worked with the Park Office and alternative parking was arranged close to the pavilion we had reserved.

Forty-six attended and did so with a bounty of side dishes and desserts to go along with the hamburgers, hot dogs, sausages and all the fixings supplied by Captree. Nothing happens alone and I'd like to take a line or two to send out special thanks to the Captree members that helped pull this event together: Frank Verderber, Michael Richter, Jack Stange, Jerry Cappa, Linda LaDez, Charlie Virga, Ken Gavey and Jack Hoogervorst. Thanks also to past Captree member and past Captree Commander Bob Dearing for assisting with the cooking. Captree members agree this is a must-do event and I'm sure the Picnic will become a yearly favorite.

As Commander, it is my pleasure to announce that Captree now has a full Bridge. Our original "Party Girl" Linda LaDez has once again stepped into the open position of Administrative Officer. We are all looking forward to some fun-filled events just like Linda has done in the past. Many thanks to Linda for seeing the need and answering the call!

We have received notification from National of proposed changes to the USPS organization. Secretary Michael Richter sent out an email to all members detailing National's proposed changes. These changes are major, and it is very important that I know how Captree's membership feels about the changes. I ask all our members to review the changes and send me their opinions. In order to properly represent Captree, I need to hear from you. If you need the proposal resent, let me know.

Finally, although there is no General Membership meeting in August, Captree's Executive Committee is getting together on 12 August to discuss the aforementioned proposed changes and to plan our annual Fall Rendezvous to be held at Cedar Beach on September 14 & 15. As always, there will be Basket Making beforehand and many of our favorite traditions at the rendezvous itself. Please see this edition of **"The LOG"** for further details and respond early for a successful rendezvous.

Hope to see everyone on the water and at the Fall Rendezvous!

As I've said before – **What a Life!**

Carol

Lt/C George Tracy, SN Squadron Educational Officer

All is well at the Education Department.

We will be offering an 8-hour **ABC** class on Saturday, October 26 at the Babylon Pool Building at 151 Phelps Avenue, North Babylon. Registration is at 8:30 AM, followed by 8 hours of classroom instruction and a final exam from 9:00 AM to 5:00 PM. Please do all you can to publicize this course.

Captree also plans to offer **CRUISING AND CRUISE PLANNING** beginning on Thursday, October 17. The class will meet for six Thursdays, (10/17, 10/24, 11/14, 11/21, 12/5, and 12/12) from 7:00 to 9:00 PM. I will be hosting the class at my home around the dining room table. The course has been updated relatively recently and is now divided into two parts.

The first part is a traditional series of chapter topics that will be covered as follows:

10/17 - chapters 1 thru 4: Cruise Preparation and Planning – General, Boat, Equipment, Anchors and Anchoring;

10/24 - chapters 5 thru 8: Navigation, Crew, Meals and Provisions, Communications; and

11/14 - chapters 9 thru 13: Foreign waters, Chartering, Security, Emergencies and Medical, Weather.

The second part of the course encompasses four specific cruises:

11/21 Intracoastal Waterway and the Great Lakes; and

12/5 Inland Rivers and the Pacific Northwest.

On 12/12, a review will be conducted followed by a final exam.

I will be lead instructor for the class. Fortunately, we have Captree members who are experts in many of these subject areas and have cruised in these locations. I will be calling on you to help out. I will need to know who will be taking the class no later than our September 18 General Membership meeting so I can order the books. Cost is \$50 for members and \$100 for non-USPS members. If you want to volunteer to teach a specific area, please contact me, otherwise, I will be seeking you out. You know who you are. Everyone, even those not taking the course, are encouraged to stop by. Class will be somewhat informal. This is a fun class!

Remember, Teachers have a lot of class!

George
Squadron Educational Officer

MEMBER INVOLVEMENT

It's already the end of July and unfortunately it has not been a great boating season to date with rain and wind in May & June and extremely high temperatures in July. I hope that August will bring beautiful boating weather for our members with boats, and their guests. I hate to say it but once we get into August, we are on the downside of our boating season with basically only August and September left. Once October hits, the weather is much cooler. It's funny, as I write this article, it is over ninety degrees with a heat index of one hundred and fifteen; a cool day would be very welcomed right now.

I am moving too far ahead of myself speaking of September and October so let me get back on track and write about what went on in July to keep our members up to date with our activities.

Let me start with our Picnic held Sunday, July 12 at Robert Moses State Park Marina. It was one of the nicest days of the month. The activities started around noon and continued the rest of the afternoon until 5:30 – 6:00 pm. Captree provided hot dogs, hamburgers and sausages, all of which were supplemented with side dishes and desserts provided by those attending. It was also BYOB and chairs since seating at the tables under the pavilion was limited. It was also suggested that if you were coming by car to arrive early as the parking at Field 3 fills quickly with beach goers on a nice day. That is what happened, and unfortunately Linda & Ron Linhart and Linda & Ed Haran were unable to park and returned home. However, when the parking at Field 3 filled, Mike Richter negotiated with the State Park officials for our members to park at the marina itself. That deal was priceless.

Five members brought their boats: George Tracy with guests Camille & Michael Mercurio and Denise & Victor Dellicurti, Tom and Pam Zimmer with guests Dianne & Frank Alberti, Pavlos Mourdoukoutas and his guest, Ed Smith and his family and guests, and Madelyn and me with guests Bobby & Jack Hoogervorst. Fortunately, the marina was not crowded so all our boats were able to get a slip right near the pavilion.

You have always read how I rave about the food we have at our Rendezvous potluck noontime meal; well this time it was better because it was organized thereby eliminating duplicity. Thank you Frank Verderber for keeping us up to date on attendees and their favorite dishes to share. Many thanks go to Mike Richter and Jack Stange who brought over the BBQ and supplies from our storage location along with Mike's personal tent. Thanks also go to Carol Johnson who brought the hot dogs, hamburgers,

sausages and rolls and Tom Zimmer who brought the Italian bread for the sausages.

Once the grill was set up and pre-heated, the party officially began. In my opinion, this was one of our best noontime meals. I would like to thank everyone that joined us at our Picnic and for contributing food. Those that attended included Dianne & Frank Alberti, Jerry Cappa, Fran & Charlie Cooper, Heidi & Bob Dearing, Denise & Victor Dellicurti, Holly & Michael Ferruso, Katie & Bob Fisher, Laura & Ken Gavey, Bobby & Jack Hoogervorst, Carol Johnson, Linda Faust & Steve Katsur, Marylou Krzeski, Linda & John LaDez, Camille & Michael Mercurio, Pavlos Mourdoukoutas and friend, Mike Richter, Cathy & Ed Starling, Judi & Bob Silz, Jack Stange, George Tracy, Jen & Ed Tracy along with Kyle & Sara Tracy, Jen Tracy's sister Melissa & husband Max, Kathy & Frank Verderber, Pam & Tom Zimmer, and Madelyn & me.

Also in July we filled two open positions on our Executive Committee with the approval of the appointment of Linda LaDez for the position of Administrative Officer, and Jack Stange as Assistant Secretary and Member-at-Large. Both volunteered for these positions. Thank you both for filling important positions in Captree. Jack also volunteered to be our Property Officer, and in this function, he already started to assess the material in our storage location and got rid of items that have not been used in years.

On July 19 Mike Richter and Jack Stange set up a Safe Boating table at the West Islip West Marine store. They handed out nearly forty trifold detailing what Captree is all about. They gave away some prizes including a BBQ donated by Mike Richter and also created a database of the people who signed up to receive updates regarding Captree and USPS.

One last important item for July is our Executive Committee approved Paul A. Rondinello as a new member of Captree. Paul lives in West Islip and is a boat owner. Paul was at West Marine when the "Fab Four" had a Safe Boating table there back in June. Paul also signed up for a Vessel Safety Check which I performed. Paul, welcome aboard and enjoy your future in Captree.

Enjoy the month of August on the water or on land.

Charlie Virga
