COMMANDER'S REPORT

Cdr. Carol Johnson, AP

Cooler days are upon us and the hot, hazy, humid days of summer are finally in the rearview mirror. Mother nature is now at its most beautiful time with the leaves boasting the autumn colors of brown, orange and gold, but for us boaters, a certain sadness takes over as we start to prepare our boats for the upcoming long winter's nap.

Usually, it's the time that Captree starts planning for their holiday celebrations, but right now we are still in a holding pattern and we will have to take a "wait and see" attitude before any definite plans can be made. This year spontaneity may be the rule of thumb, but sometimes spontaneous events work better than those planned.

Although not long in the planning stage, the Captree Sunday Brunch held at my home turned out to be a highly successful event. The Brunch was well-attended with approximately 36 people in attendance. As always, the bacon, egg and cheese sandwiches were made to perfection by our grill masters Charlie Virga and Gene Johnson. Cookies and cakes were brought by members for those with a sweet tooth and I would be remiss if I did not give a shout out to Dianne Richter for her homemade French Toast bake and croissants. Of course, Bloody Mary's & Mimosas were flowing freely keeping up the spirits of all who attended. This year's Captree Member of Distinction, Jack Stange, was among those who attended the breakfast and it was my pleasure to present him with his plaque in the company of all his fellow Captree members. In addition, Jerry Cappa was presented National's Distinctive Communicator Award for his work on Captree's website.

This September our Education Department was finally able to complete the live ABC course

which began at the North Babylon High School prior to quarantine due to the COVID-19 pandemic. A large room at the St. Paul's Reformed Church in North Babylon church was made available to us on 2 consecutive Thursdays to enable the class to be held with adequate space for social distancing for the safety of the students and instructors. Our sincere thank you to Jennifer Binning for allowing the use of this facility and making this class possible. Of course, a special thanks to Squadron Education Officer George Tracy and instructors Bob Silz and Gene Johnson for running the two classes with such short notice. Congratulations to all the students, some of which were Boy Scouts, who successfully completed the ABC course.

We have been informed by District Commander Betsy Mandra that due to the COVID-19 crisis and a sharp decline in sales and dues revenue, USPS Headquarters has had to change its hours of operation effective October 5, 2020 to Monday through Thursday from 8:00 a.m. to 4:30 p.m. ET. Please make note of this change in the event you have the need to contact National.

Please continue to watch your email to stay informed about Captree happenings and meetings (whether virtual or in person); right now, this is the best means of keeping everyone up to date.

As always, we are looking for suggestions on how to keep our members engaged. If you have any ideas, please come forward and contact one of the Bridge members. New ideas are always well received and make for a great time.

Be well and stay safe!

Carol

MEMBER INVOLVEMENT

Well, here we are into October 2020 and nothing has changed in the way we have been living the past months due to the Coronavirus. Most of us have been following the rules on how to be safe, and when we do get together with other members, we try to follow the guidelines established by the CDC and our Governor. In fact, those of us that have been seeing each other at our weekend raft-ups are following the rules by remaining on our boats and conversing with each other without moving from boat to boat.

One of the recent weekends that we got together was Labor Day weekend. In all the years that I have attended Labor Day weekend raft-ups, I seldom was able to attend for all three days because, over time, there were at least one or two days that the weather was bad. This year was an exception; September 5, 6 & 7 were three great days with the air temperature in the eighties and the water almost as high. This made for great boating and great swimming.

Over the three days, we had a number of boaters participate or just stop by to say hello. They included Mike and Dianne Richter, Ed and Cathy Starling, John and Linda LaDez, Tom and Pam Zimmer, Frank and Kathy Verderber, Ed and Jen Tracy, George Tracy with members of his family, Steve Katsur and Linda Faust, Pavlos Mourdoukoutas, John and Maria McSweeney, and Madelyn and me with guests Commander Carol Johnson and Gene aboard. Now that we are into October, I am sure we will spend less and less time at Captree Cove, as both the air and water cool down.

We did a few other things in September; one was the relocation of our equipment and **LOG** archives that we had in a Farmingdale storage unit and was moved to a new location in West Babylon. I have to thank the following individuals who helped make the task of moving a lot easier: Carol Johnson and son Gene with his flat-bed trailer, Mike Richter with a box-truck equipped with a power lift gate, Jack Stange, Bob Silz, Frank Verderber, Tom Zimmer, and me.

Also in September, Carol and Gene Johnson hosted a Sunday Brunch in their lovely yard on September 19th. The brunch replaced our infamous Sunday breakfast that would have occurred at our Fall Rendezvous at Cedar Beach had it not been canceled due to the virus. The brunch started at 11:00 AM with our Bacon, Egg and Cheese on a roll breakfast sandwiches. It was great to have our "Grill Master"

Gene Johnson back behind our flat-top griddle. He started cooking the bacon before I arrived to help him and once I arrived, he again coached me on how to cook bacon and later the eggs. He has been doing the breakfast cooking for years and I guess I am a slow learner. Thanks Gene. You continue to make me a better bacon cooker and egg-flipper year after year. In fact, as I improved over the morning, I thought I was a chef in a restaurant the way the eggs came out. Bacon and eggs with cheese cooked to order on a deli roll, what more can you ask for at a Sunday brunch? If you were thirsty, besides coffee, we had Bloody Mary's and Mimosas to quench that thirst. Topping it all off were exceptional breakfast additions prepared by Dianne Richter, Judy Silz and Garry Biggs.

I was pleased to see the number of members, spouses and guests who turned out for the event. Below is a list of those attending. Thank you all.

Garry Biggs, Jerry Cappa, Holly & Michael Ferruso, Katie & Bob Fisher, Bobbi & Jack Hoogervorst, Carol & Gene Johnson, Gene Johnson, Jr. & son Aidan, Carol and Gene's daughter Kristin, her husband Jim Ness and their son Michael, Linda & John LaDez, Dyan & John Latini, Camille & Mike Mercurio, Pavlos Mourdoukoutas, Mo Ramadan, Dianne & Mike Richter, Judy & Bob Silz, Jack Stange and Maryann, Kathy & Frank Verderber, Pam & Tom Zimmer, and Madelyn & me.

One last item this month. Mike Richter recently added a new section on Captree's website titled "Education". Now, under this title, is a USCG Vessel Safety Check Examiner Instruction Manual, and a supporting USPS Power Point presentation that will help you become a Vessel Safety Check examiner. If you are interested in becoming an examiner, study up and take the test as Captree needs additional examiners. Please contact me if you need any additional information.
